

The Green Party is the fastest growing independent political party in Louisiana.

We've helped pass fair tax laws and living wage ordinances here in Louisiana, as well as worked successfully to stop the privatization of our water supply. We've helped to build the anti-war movement in Louisiana and sent our members to Washington to protect women's reproductive health.

We're running progressive candidates for state and local offices to help implement this vision for a clean, peaceful, prosperous and just Louisiana.

The Green Party of Louisiana invites you to join our vibrant and diverse party.
Joining our party takes only two steps:

1) Change your voter registration to "Green" (see instructions to the right). It doesn't cost a thing and won't affect your right to vote for whichever candidates you choose.

2) Detach and mail in your GPL membership form (on the back). Your \$25 annual membership fee will go a long way towards helping us sustain and build our organization. Dues waivers are available for those with low incomes—no Louisianian will be turned away for lack of money.
