

# **PRESIDENTIAL CAUCUS**

Join Green Party members from around Louisiana for an afternoon of discussion of Green Party Presidential Candidates' platforms and visions for a more sustainable, peaceful, and democratic nation.

Following discussions, GPL members will elect nine delegates to represent Louisiana at the Green Party Presidential Nominating Convention in June, at which time the Green Party presidential candidate will be chosen.

Join us at the GPL Caucus and help build Louisiana's most progressive and fastest-growing independent political party.
